August 17-21, 2020

www.yaledailynews.com/sjp

Thank you so much for your interest in SJP 2020!

Please visit our website to find more information on the program, then fill out this application and e-mail it to sjp@yaledailynews.com with “SJP Application” and your full name in the subject line.

You may either send us a scanned copy of this completed form or attach all of your responses on a separate word document in your e-mail.

Applications will be reviewed on a rolling basis until **August 1, 2020**.

Every year, we receive more applications than we have spaces available in the program, so please fill out this application as completely, accurately and creatively as you can.

Let us know if you have any questions. Good luck!

2. Why SJP?

In less than 350 words, tell us why you want to participate in SJP and what you hope to gain from the process. Please attach your statement to your application.

3. Journalism and Writing Experience

Please describe in the space below any experience you have with journalism, photography or writing. This can be a high school newspaper or other publication, a creative writing class or other summer program. Please note that SJP is designed to be an educational program and therefore, journalism or writing experience is not a requirement.

4. Writing Sample

Please submit **one** writing sample with your application. This can be an article written for a high school newspaper, a creative writing project or a school assignment. Students interested in photography may also submit up to three photographs demonstrating examples of their work. Photographs should be captioned and preferably not posed.

Students may submit an optional letter of recommendation from a teacher or mentor to supplement their writing sample.

Thank you so much for applying – we look forward to reading your application.
